

**AMATEUR RADIO
PUBLIC SERVICE EVENTS CALENDAR – 2010**

(As of 6/25/10)

You are receiving this message because you are on my e-mail list to receive periodic listings of events for which amateur radio communications support has been requested. If you wish to be removed from the address list, please let me know.

These are the events presently known to me. There will be others; stay tuned.

Information/volunteers: please contact Ed Ricco, N5LI unless otherwise indicated in the description of the particular event. n5li@arrl.net. 247-4866(h); 768-7314(w).

Notes and comments:

1. Changes since last time: Completed events have been deleted. MS150 information updated. Date added for Duke City Marathon.
2. I am now seeking volunteers for the MS150 bike tour on August 28-29, one or both days (let me know which day(s)). If there are additional volunteers for the La Luz Trail race on August 1, let me know and I will pass the information on to the event coordinator.

August 1 – La Luz Trail Race. This event is being coordinated by Rees Bevan, WB5DEJ. Amateurs provide communications support for this annual race up La Luz Trail from positions in the starting area, at the finish, and from trail-side points along the course. Persons interested in volunteering or in obtaining additional information about the event may contact Rees or are welcome to contact me and I will put potential volunteers in touch with Rees.

August 28-29, 2010 – MS 150 Bicycle Tour. This is a two-day, 150-mile bicycle ride to raise funds to fight multiple sclerosis. The event organizers count on radio amateurs for essential communications support. There will be two rides starting and ending in Pojoaque – the first day will be a circuit running through San Juan Pueblo, Ojo Caliente, El Rito, and Abiquiu; the second day route is still being finalized but may go to Puye Cliffs on the Santa Clara reservation or to Los Alamos by the truck route. We will need volunteers for one or both days to operate mobile along course segments with the riders, to accompany tour officials and supply trucks or medical personnel, and to operate from rest stops.

TBA - New Mexico Marathon. (Will not be held in 2010.)

October 17, 2010 - Duke City Marathon.
